

## Stitch Workshop: Peyote Stitch: Basic Techniques, Advanced Results

This book is the first in our Stitch Workshop series. This book will concentrate solely on peyote stitch, explaining the basics of that stitch in detail and supplying plenty of projects for beaders to practice with. With 28 peyote stitch projects organized from beginner to advanced, this book has a wide audience for those who are just learning the stitch and those who are looking for more project ideas. All of the projects in this book are from Bead&Button magazine.
