

Irresistible

Allen Keeg was just another regular, heart-broken guy just another face in the crowd. But after hes unknowingly given the supernatural ability to be completely irresistible to women, Allens life is about to be changed forever! However, although the gift of unparalleled attraction seems like a blessing at first, it turns out to be a horrible curse that Allen can only get rid of by paying an ultimate price! From the writer of the Wonderland trilogy, Fly, and The Waking, this trade paperback collects all four issues of the hit Irresistible mini-series.
