

## Ghostly Tales of Minnesota

According to the people who study such phenomena, ghosts are... usually good spirits; friendly, protective, caring or helpful. Some are restless; some are mischievous. Others are so uncanny that their doings cannot be explained. This is a collection of stories about eerie happenings, unexplainable events and mysterious situations. There are tales of moving lights and footsteps in the snow that suddenly stop and disappear. Whether you believe in ghosts or not, Ghostly Tales of Minnesota is reading that is entertaining and thought-provoking!
