

Weird Encounters: True Tales of Haunted Places

Scariest and stranger than any multiplex horror movie, *Weird Encounters* features more than 75 supernatural stories contributed by writers from across the country. Compiled by Joanne M. Austin, editor of the hugely successful *Weird Hauntings*, this chilling anthology tells of Historic Haunts, and Hostel Environments and conjures up a host of phantasms, paranormal pranksters, and devilishly destructive spirits-like the deceased owner of an Illinois inn whose ghost gets fresh with his female patrons and the bridge in Mississippi that's haunted by a serial murderer and his victims.
