

Cuenta la leyenda que en la Mansion Reynaud deambula el espectro de una mujer vestida de novia, que a veces aparece reflejada en los espejos. Pero a medida que sus habitantes aparecen muertos en circunstancias extrañas, lo que parecía un simple cuento comienza a convertirse en una siniestra realidad. Reflejos es un libro recopilatorio de comic que incluye dos historias autoconclusivas: Reflejos, una historia de terror ambientada en la época victoriana, y El Valle de los Olivos, una trágica historia de amor medieval.
