

Lost Property (Nobrow 17x23)

Gerald is just your regular everyday mailman. One day, having lost a precious and personal item, he visits his local lost and found. There he finds far more than he bargained for, because in this self storage, each and every one of Gerald's lost possessions has been kept and contained. Andy Poyiadgi makes films by day and comics by night. He has directed trailers for Heinz, Ford, the Guardian, BBC, BAFTA, and The Sopranos. He has contributed to several anthologies, including Wu Wei and ink+PAPER. His recent comic, Teapot Therapy, was shortlisted for the Observer/Jonathan Cape/Comica Graphic Short Story Prize.
