

Microeconomics

Steve Slavins lively and comprehensive student-friendly, step-by-step approach, couple with its low price and built-in Study Guide are very attractive to adopters. Instructors and students like the authors humorous anecdotes, direct language, and easy conversational style. The text is interactive and encourages active learning. With the help of over 15 reviewers, this new edition is not only more streamlined and up-to-date but it also introduces global perspectives to many discussions early on and throughout the text. The author discusses the impact of technology and e-business on the recent economic expansion. A new interior design reflects the contemporary flavor that this traditional text now possesses.
