

## Nine Brutal Years

Warning! Content is Graphic! Not for anyone under the age of eighteen. This story is based on true events of the life of the author. Nine years of living in abuse and torture. This is a story that needed to be written in order to close that chapter in her life. This story is for every person that has ever been abused. May each find your own freedom! Inside is the story of living with a demon, known as husband. All she wanted was love, laughter, and to be accepted. A crow always remembers the face that has wronged them. They never forget. Thank you to editors Terry R. Hill, Kevin Brockus and Todd Barsellow.
