

The Legend of THE NINE

Quote from the late John E. Mack, MD, Pulitzer Prize-Winning author, professor at Harvard Medical School and renowned alien researcher: Authentic and uncommon.

The Legend of The Nine is a true story that will completely revolutionize the way you think about your life and our very existence; unlike anything you would ever expect and sure to change history! Jenna Orion is the first modern day individual to report a story of this magnitude and importance. It is the fascinating, and spellbinding account of Jennas ongoing in-person visits with nine all-knowing extraterrestrial men from our past who say they are Messengers from God. They display an all-knowing God-like essence, great power, and striking good looks. From their physical appearance they seem to be of various ancient civilizations, yet still alive and traveling to Earth in mesmerizing spacecraft. The Team Leader for these nine men has made his first public appearance in modern times through a portrait displayed at JennaOrion.com. The Nine come to protect us, bring multi-faceted teachings, reveal secrets, give us a glimpse of our future, and so much more. In addition Jenna has had in-person visits with various Ascended Masters such as Ancient of Days, whose power is beyond belief. He tells Jenna that he is the same Ancient of Days that is written about in the Bible. These individuals are working in unison with The Nine and guiding Jenna both here on Earth and at their locations. These beings have shared secrets with Jenna that proves we have been living a lie. The events that were orchestrated by The Nine, along with the teachings they have dictated to Jenna were meant to rid the dogmatic teachings that many of us have lived under for eons. They have chosen to give us back our God-given power and restore faith for those who have lost even a small part of it. If all of this sounds too bizarre to be true, ask yourself; what if I

am missing an opportunity to learn why I am here, where I came from, where I am going when I leave Earth as well as discovering the true reality of the world we live in just as Jenna did. She has chosen to share her amazing life so that others may also be privileged to the teachings of these messengers and the secrets that give us answers to the mysteries of the ages. A must read that will bring you out of the dark ages and into the light of truths, ones that finally makes sense, controversial, nevertheless true. She hopes that you will be entertained and your life enriched as you join her on her journey. Some of the detailed happenings in this book are: Witnesses to Jennas encounters, The Ascension experience, A near death experience, Her remote viewing events, Her x-ray vision experiences, Earth & societal changes in our future, Revelations of our protection from nuclear disasters, Answers to the unexplained mysteries of the ages that make sense, Shocking secrets revealed to prove we have been living a lie, Electrifying Restructurings of her cells to gain an enhanced soul, Reliving the day of her birth, Learning of her parallel & simultaneous lives, Spiritual healings of her physical body, Magical manifestations out of thin air, Visiting friends & family after their deaths, here & on the other side, Learning of our life before birth, Witnessing advanced medical equipment inside the spacecraft. This story has brought many AHA! moments to its readers, according to the book reviews posted at www.JennaOrion.com and www.Amazon.com. Jenna is pleased to announce that a sequel to this book will be out in 2015.
