

## We Are The American Zombies: blue

Demoralized people are littered all over the streets. Their will to pursue a fulfilling existence has instead been replaced by low-level survival instincts. Political correctness is quickly becoming forced conformity. Reasonable people are slowly being made to obey unreasonable laws (created by criminals). The least conscious people are being used to police the rest of us. The same can be said in all dictatorships throughout history. If we don't want to live in a society ruled by fear-based citizens, then we have to start speaking the truth. The content within has already assisted others in achieving positive change in their own lives.
